PROFESSIONAL SUMMARY

An avid learner and collaborative problem solver adaptable to various working environments with effective communication skills intent on a positive impact while gaining skills needed to initiate effective solutions to problems sustainably.

WORK EXPERIENCE

Building and Construction Intern • TurningPoint Geospatial Concepts Ifo, Ogun state (Feb. 2024 – Oct. 2024).

- Assisted in setting up GNSS equipment, enhancing surveying accuracy for land assessments.
- Contributed to diagnosing defects in building materials and onsite construction.
- Conducted environmental impact assessments alongside a supervisor on a building project.
- Gained hands-on experience in CAD software programs, increasing proficiency and expanding technical skill set.

Control Room Intern • Federal Radio Corporation of Nigeria (FRCN) Ibadan, Oyo State (April 2022– Sept. 2022).

- Delivered technical support to other departments, resulting in a 20% reduction in workload burden and enabling teams to prioritize high impact assignments.
- Performed routine checks and maintenance on control room equipment.
- Coordinated with other team members to ensure smooth operations of transmission broadcast.
- Ensured compliance with safety and operational procedures of the control room.
- Participated in weekly team training and provided updates on control room activities.

Assist. Chaplain | Landmark University Hall Management Unit Omu-Aran, Kwara State (2020-2021).

- Planned and led spiritual events weekly for over 100 volunteer students.
- Provided one-on-one counselling and mentoring to volunteers.
- Promoted a sense of community among volunteers which contributed to their well-being and development in the school.
